

IMPORTANT ROADWORKS INFORMATION

23 June 2025

Station Road, Buxted

Dear Resident / Business owner,

Balfour Beatty is working in partnership with East Sussex County Council to manage the highways service across East Sussex. We will soon be carrying out drainage works in Station Road, Buxted.

When do they start?

Work will be carried out from **Monday 28 July to Friday 8 August 2025** between 9am and 3:30pm.

Any changes to the dates or times will be displayed on the advanced warning signs on site.

What are we doing?

We will be repairing broken drainage pipes and root cutting to clear the drainage system.

How will this impact highway users?

We will be working between Buxted School continuing approximately 835 metres East. The road will remain open with temporary traffic lights in place for the duration of the works.

Information for residents and businesses

Parking: If required, we will put out 'no parking' signs and cones on the site to advise where parking is restricted. Please avoid parking in these locations as it will delay our works.

Weather: All of these works are subject to favourable weather conditions, for example heavy rain may affect the progress of the works.

Properties close to the carriageway may notice some noise, flashing lights, or reversing sirens. We will do our utmost to keep this to a minimum.

We would like to take this opportunity to apologise in advance for any inconvenience or disruption this work may cause, however this forms part of our continuing improvement for the East Sussex highway network. Should you have any concerns regarding these works, you can contact us at eshcomms@balfourbeatty.com.
